Start date	2010	End date	
Action	A19		
Areas of action	Comprehensive Social Campus		
Location	Whole Campus		
Infrastructures involved			
<p>Objectives:</p> <p>To contribute to improving the employability of the student body, on and off the Campus.</p>			
<p>Description of the action:</p> <p>This program envisages an increased number of internships and grants (collaborative studentships, etc.) to support employment on the campus as a whole, and also as an incentive for more women to participate. The aim is also to ensure that the activity has the maximum possible training content, with preference given to the development of the most interesting and useful areas of activity in this context - e.g. library and other research-related services-, or activity supervised by the teaching staff.</p> <p>The program also includes an employability-oriented training programme, with short courses, workshops or seminars throughout the academic year, including employment-based skill and competency training, using active and participative methodology.</p> <p>The program also includes the extension of the activities of the existing offices to encourage a spirit of enterprise and will include the award of a Moncloa Campus Prize for Student Enterprise, with joint municipal and regional funding.</p>			
<p>Planned key results:</p> <ul style="list-style-type: none"> • Increased employment of students on Campus. • Provision for the reconciliation of study and work on Campus, while guaranteeing the maximum relevance and educational value of the activity undertaken. • Boosting of student capacity for enterprise, offering information, guidance , advice and training in this area.
